Dear Henning:

A s called for in Target 6, we have collected data from LA IRS for use in Ops or Br.1 PR that is entirely in IRS territory.

Attached as evidence is data from a 'celebrity's' file. This target is done.

Love,
Jick

*Dear Dick
BEAUTIFUL!!
I am returning
this to you with
enclosures as I
don't need such
hot stuff in my
files.*

*Since we got
any other celeb files?
